

WHAT IS SEXUAL ABUSE: ADULTS

My private parts are the parts of my body that get covered by a bathing suit.

Sexual abuse is when someone touches my private parts and I don't want them to.

Sexual abuse could be if someone makes me to look at their private parts and I don't want to.

Sexual abuse can also be if pictures or videos are taken of me without my clothes on and I don't want to.

Sexual abuse could be if someone tries to have sex with me and I don't want them to.

Sexual abuse could be if someone makes me touch or kiss their private parts and I don't want to.

This campaign promotes the idea of body autonomy for individuals with disabilities. ASERT has partnered with researchers at the National Crime Victims Research and Treatment Center at the Medical University of South Carolina to develop resources for the Be Safe campaign.

The Autism Services, Education, Resources and Training (ASERT) Collaborative is a statewide initiative funded by the Bureau of Autism Services, PA Department of Human Services.
