

It's time to get a haircut!

There are new rules I need to follow when I get a haircut.

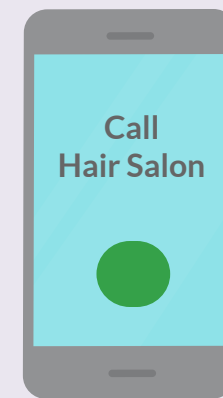

**NEW RULES**

Call for appointment

Wear a mask

Limited number of people

First, I have to make an appointment with my hair dresser or barber.

I have to wear a mask when I get my hair cut.

My barber or hair dresser also has to wear a mask when they cut my hair.

After my haircut, I need to wash my hands.
